The Mattoon Fire Department is a full-time career department with 38 members. The department consists of 36 shift personnel working 24/48-hour shifts and two Command personnel. They respond from three Stations, two within the City and one Station located at the County Airport near Sarah Bush Lincoln Health Center. The department's apparatus consists of; 3 front-line Engine Companies and one reserve Engine; one 100' Aerial; one Heavy Rescue Truck; one Light-duty Medical Response Unit; one Technical Rescue Support Vehicle; 2 Emergency Response Trailers; and 2 Command Vehicles.

Department personnel are trained in several technical rescue disciplines including High-angle Rescue, Confined Space Rescue, and Mass Casualty Incidents. The department's 37 Emergency Medical Technicians (EMTs) provides non-transport Emergency Medical Services to the community. Of the 37 EMTs, 7 are Licensed Paramedics.
